ABOUT US

About FinTech Digital

Welcome to FinTech Digital Pvt Ltd, where technology meets finance to create a new era of financial empowerment. Our mission is to harness the power of digital innovation to transform financial services, making them more accessible, secure, and efficient for everyone—from individuals to enterprises.

At FinTech Digital, we believe that technology has the power to break down the barriers to financial inclusion. Our team of experts combines deep financial knowledge with cutting-edge technologies like artificial intelligence, blockchain, and data analytics to develop innovative solutions that meet the needs of a rapidly evolving digital economy.

01

GROUP & AFFILIATIONS

FinTech Digital Pvt Ltd operates within a robust ecosystem of specialized technology and operational partners

SUNTRUST Digital Innovations (SDI)

A leading IT solutions and digital transformation company specializing in InsureTech, FinTech, and AgriTech, responsible for platforms like iTRUST, vTRUST, and OneGo.

DGH Technologies

A full-spectrum IT services and consulting firm providing enterprise-grade infrastructure, custom software development, ReadNow low-code solutions, and cybersecurity implementations in partnership with ST Engineering.

The organization emphasizes

- **Strategic Growth & Innovation:** Identifying new market opportunities and leveraging emerging technologies to stay ahead in competitive markets.
- **Operational Excellence:** Delivering end-to-end services across pre-sales, development, infrastructure, and support with agile methodologies.
- **Global Partnerships:** Collaborating with international partners to provide differentiated and high-value solutions.
- **People-Centric Leadership:** Building high-performing teams through empowerment, continuous learning, and a strong performance culture.
- **Governance & Security:** Upholding the highest standards in compliance, cybersecurity, and corporate governance.

LEADERSHIP TEAM

QChatPay is driven by a highly experienced board and management team with deep domain expertise across banking, digital transformation, architecture, and regulatory frameworks.

Founders

Hithesh Fernando – Founder & CEO

Over 20 years of experience in banking and financial services (retail banking, wealth management, digital transformation) with global institutions like HSBC and American Express. As Chairman of the Open Banking Subcommittee at the Fintech Association of Sri Lanka (FASL), he works closely with the CBSL, ICTA, and LankaPay on national fintech initiatives.

Hithesh spearheaded AnyBanQ and QChatPay to close critical gaps in financial accessibility. Holds a Master FinTech Professional qualification (GAFM, 2023).

Petula Wijesinghe – Co-Founder & Director

Over 14 years of experience in financial services and digital solutions. National Winner of the Women in Tech at the SLASSCOM Ingenuity Awards (2024). An Australia Awards alumna and a U.S. Professional Fellow (2025). Featured by the IFC on the future of banking in emerging markets.

Senior member of FASL, dedicated to collaborating with banks and regulators to implement scalable, practical platforms.

CORE LEADERSHIP & DIRECTORS

Manjula Hewage – Director / CTO

A Fractional CTO & Technology Strategy Advisor with over 25 years of experience in software engineering, enterprise systems, and cybersecurity, including 15+ years in senior technology leadership roles. He specializes in designing transformation and digital platforms, driving AI-driven enterprise transformation, and providing executive technology leadership. He holds an MSc in Cyber Security and is pursuing a Doctor of Business Administration (DBA) focusing on AI and productivity systems.

Gehan Madhanayake – Director

A senior business and technology executive with over 30 years of international leadership experience at KLM Royal Dutch Airlines responsible for technology across 20 countries, Informa UK as Director IT Middle East, dailymail group UK as Head of IT Middle East driving growth, operational transformation, and enterprise value creation across Asia, the Middle East, and global markets. Currently serving as Managing Director of DGH Technologies Pvt Ltd (DGHTEC), leading the company's strategic expansion, market positioning, and execution of scalable, technology-driven business models.

Demonstrated success in building and leading high-performance organizations, including managing large global delivery operations of over 300 staff and significantly improving revenue contribution and operational efficiency. Proven ability to translate strategy into execution, evidenced by increased billability and revenue growth, successful entry into new markets, and the establishment of strategic partnerships across Southeast Asia and Middle East.

Brings deep expertise in digital transformation, IT governance, cybersecurity, and enterprise systems, with a strong track record of delivering complex, multi-country programs for leading global organizations such as CAMMS, Virtusa Polaris, London Stock Exchange Group.

Sanjiv Keerthiratne – Director

A Chartered Insurer (FCII-UK) and Chartered Marketer (FCIM-UK) with over 38 years of experience in financial services, including 35 years in CEO and Managing Director roles at leading organizations such as Finlay Insurance Brokers, AIG, and LOLC Insurance. He brings deep expertise in regulatory compliance, strategic corporate management, and risk mitigation. In the digital and IT space, he successfully spearheaded the development of an enterprise-grade, Oracle-based brokering IT solution. Having previously served as President of the Sri Lanka Insurance Institute, his extensive background provides QChatPay with unparalleled insight into commercial adoption and institutional compliance.

Saman Peiris – Director

A results-driven business leader with over three decades of experience in strategic management, sales, and marketing across diverse industries including pharmaceuticals, manufacturing, plantations, and aviation. Currently serving as Chief Executive Officer of DGH Technologies (Pvt) Ltd, with a proven track record of driving business growth, operational excellence, and market expansion.

Previously held CEO roles at Hidden Hills Estate (Pvt) Ltd and Akbar Pharmaceuticals (Pvt) Ltd, where strong leadership and strategic direction resulted in significant revenue growth and successful market positioning. Notably, increased annual sales at Akbar Pharmaceuticals from LKR 360 million to LKR 1.1 billion within five years, and spearheaded the launch and export of premium single-estate tea at Hidden Hills Estate.

Brings extensive multinational experience from a long tenure with Eli Lilly and Company as Country Manager for Sri Lanka, consistently achieving annual sales and profit targets over a 15-year period. Earlier career includes key leadership roles at Cathay Pacific Airways and Air Lanka Limited, with recognized achievements such as the Route Revenue Award outstanding performance.

SPECIALIZED DOMAINS & ADVISORY

The extended execution team and advisory network bring critical, localized expertise to support the platform

Security & Compliance

Dedicated specialists focused on PDPA readiness, zero-trust models, and CBSL guidelines.

Architecture & Engineering

Handled by veteran teams proficient in high-availability, low-latency transaction orchestration

AI & Cybersecurity

Exposure and strategic alignment with ST Engineering frameworks (via DGH Technologies) ensure the platform is fortified against modern threats.

THANK YOU

We envision a future where financial institutions, fintech companies, and service providers collaborate to create an integrated digital ecosystem that delivers smarter, more efficient financial solutions. By driving digital transformation, we aim to redefine the future of finance, enabling businesses and individuals to navigate the financial world with ease and confidence.

At FinTech Digital, our commitment to innovation and customer-centricity remains at the core of everything we do, as we work toward a more inclusive, transparent, and interconnected financial landscape.
